

# Next-Level PMO Support Guided By Your Goals

We get it. Your IT team has to do a lot more with less. That's why we offer the most flexible PMO (Project Management Office) services in the industry—services that help hospitals address their unique concerns and reach their specific goals.

## Promethean PMO Services

Innovative Consulting Group offers a variety of engagement options:

### PRO TOOLKIT

Our cornerstone solution provides you with all of the services, tools and processes you need to create a sustainable PMO. Proven methodologies and accompanying templates ensure a consistent and repeatable approach as you build out your PMO.

### PRO ADVISOR

Already have an established PMO? We can assist you in fine-tuning your operations. Whether you need to recover projects or train new team members, we can help!

### PRO STAFFING

When you find yourself short on resources or need an interim PMO director, we provide PMI-certified consultants for short- or long-term needs.

### PRO VIRTUAL

Leverage our pool of program and project managers on a PT or FT basis only when you need them.

## Why Innovative Consulting Group?

Since 2002, we have provided hospitals with PMO consulting solutions uniquely structured to help them get the very most from their EHRs and other IT investments.
